I. INTRODUCTIONS

II. ADMINISTRATIVE ORDER ON CONSENT ISSUES

1. Performing parties should not pay *Past Costs*
2. CRS Site Group agrees to pay *Oversight Costs* if EPA is otherwise unable to recover them from non-performing PRPs after reasonable good faith efforts
3. Use *Dispute Resolution* procedures to resolve conflicts regarding all final revised deliverables including the baseline risk assessment
4. Other miscellaneous issues

III. STATEMENT OF WORK ISSUES

1. Add a mechanism that allows for interim removal actions as needed during the investigation.
2. Further define the scope of the investigation of sediment and surface water "*adjacent to the CRS Site*".
3. Other miscellaneous issues

IV. DRAFT WORK PLAN PRESENTATION BY PARSONS

1. Area of Concern Identification
2. Site Characteristics
3. Previous Assessment and Remedial Activities
4. Conceptual Site Model
5. Proposed Scope of Sampling and Analysis
6. Additional activities
